Subject: Invitation: STEAM Day Showcase & Partnership Feedback at PS 244

Dear Community Partners,

The leadership team, teachers, and students of PS 244 Richard R. Green School cordially invites you to our **STEAM Day Showcase**. Come see how our schoolwide integration of Science, Technology, Engineering, Arts, and Math is transforming student learning.

Date: Friday, June 12, 2026 **Time:** 9:00 AM – 10:10 AM **Location:** PS 244

Showcase Highlights

- **Classroom Walkthroughs:** Tour classrooms alongside school leadership to see STEAM integrated directly into Math and Reading lessons.
- **Robotics in Action:** See our brand-new Robotics program launched this school year.
- **Art Studio:** View the incredible work created by our students.
- **Science Tech & Hydroponics:** Explore our new tech and hydroponics lab funded by recent grants.

Why Your Attendance Matters

Your perspective is invaluable to us. Following the tours, we want to gather your feedback and suggestions. Your insights will directly help us plan and structure our embedded STEAM curriculum for the upcoming 2026–2027 school year. We look forward to partnering with you to inspire our future innovators.

****Guardians/Parents are required to sign in with a valid ID. You may take pictures of your child's project but not of children in the classroom.**
